

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 29, 1996

SUBJECT: **SB 2295 - HB 2393**

This bill, if enacted, amends the Residential Home for the Aged Quality Enabling Reimbursement Program by adding Fentress County to the eighteen counties presently eligible to participate. The act currently funds 160 RHA beds out of the 638 eligible beds in the eighteen counties. Presently one RHA in Fentress County has ten licensed beds.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures of \$8,212.50 based upon the current reimbursement rate of nine dollars per bed per day and the fact that only 25% of the eligible beds are currently funded.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
